

West Rail Workers Refuse To End Strike

Report Says They Don't Trust Russia

Berlin, June 14—(AP)—The railway workers of western Berlin refused to end their 25 day strike today with a don't-trust-Russia vote. The "little blockade" of Berlin thus continues.

The anti-Communist strikers voted six-to-one against accepting a compromise strike settlement which Soviet authorities had approved. Of 14,711 valid ballots, 12,626 favored continuing the strike. Only 2,085 workers voted to end the walkout.

After balloting, Brig. Gen. Frank L. Howley, U. S. sector commander, charged the Russians had broken their word on the strike settlement by a last-minute campaign of abuse in the Soviet press.

Repudiate Their Word
"The Russians have completely repudiated their word with me," the U. S. official said.

Howley, after a private talk Friday with Maj. Gen. Pavel Kvashnin, the Russian transport chief, urged the workers to accept the compromise plan. After today's voting Howley told newsmen Gen. Kvashnin "was eager" to resolve the dispute Friday but since that time "something happened on the high level."

"Kvashnin was entirely sincere with me," Howley said. "It was one of the best and most successful conferences I ever held with the Russians. But somebody reversed the poor guy later."

Howley said he was convinced the strike would have been ended if the communist press had not launched an attack on the strikers. The press campaign aroused a fear of Russian reprisals among the workers. The U. S. official said he did not blame the strikers for refusing to return to work after they read today's Russian press.

Should Do Nothing More
"I think we should do nothing more," Howley declared. "Let the Russians figure out how to settle it. It's their strike. This simply proves that the word of a communist is good only so long as it suits his purposes."

Howley said it also proves that the anti-communist strikers "are not puppets of the Americans, the British and the French, as the communists insist."

After the voting, Heinz Bracht, chairman of the striking union, said: "The strike goes on. The voting result is a clear expression that the Soviet guarantees are not relied upon."

In an official statement, Maj. Gen. G. K. Bourne, British commandant, said: "It now appears the Soviets want to continue the strike for political reasons."

Early in the day the Russian-licensed press quickly beat down whatever mass sentiment might have developed in favor of the compromise. The eastern newspapers attacked the anti-communist striking union and hurled veiled threats of reprisals at the strikers.

Suspension Of Coal Mining Idles Over 500,000 Workers

New York, June 14—(AP)—More than half a million workers are idle because of the current suspension of coal mining.

But of this total, around 480,000 are employees of the coal industry itself, in both bituminous and anthracite fields.

Aside from companies engaged in hauling coal, such as railroads operating in the mining areas, consuming industries have been little affected.

This is because most of them have sizable stockpiles on which they can draw to maintain current operations. A prolonged shutdown, of course, would trim these reserves to the point where some work curtailment might be ordered.

Some observers have estimated that a one-week stoppage such as that now in progress would still leave about ground more than a month's coal supply—from 55 to 60 million tons.

ASK ELLIOTT TO PROBE GAMBLING

Pekin, Ill., June 14—(AP)—The Tazewell county board voted today to ask Attorney General Ivan Elliott to investigate gambling in the county.

The board voted to ask Elliott to take "any steps necessary" to stop gambling, which Illinois liquor control commission investigators told authorities was widespread in the county. Gambling is reported to include bookies and slot machines.

College Graduates Low In Child Production

Washington, June 14—(AP)—Maybe the A.B. degree means "abolish babies."

For the population reference bureau today came up with the news that college graduates don't produce enough children to replace themselves.

Its study deals with the class of 1924, busy with its 25th reunion this June. The women, the study shows, have failed to reproduce themselves by 40 per cent, the men by 16 per cent.

Other quick items from the study: The more you educate a girl, the less you're likely to educate a mother.

The farther west you go, the more likely you are to run into college educated parents.

According to the bureau, if any class of people wants to reproduce itself, it must as a group average 2.1 children per couple.

By this standard, Brigham Young University is bearing up nobly. Its women of the class of 1924 have

produced, on the average, 3.47 children. Its men, 2.45 children.

Contrast this with fair but cautious Harvard. Its average is but 1.74 for each reporting graduate.

Vassar, too, is trailing statistically. Its alumnae have averaged 1.49.

Only yesterday Dean Rustin McIntosh of Barnard College told Vassar's 269 girl graduates: "women's biological role is not to support and defend the family but to bear and rear the children."

(The dean skipped the part of her speech in which she had planned to say: "Have as many children as you can.")

But let's not be too rough on Harvard and Vassar. They're right in line with the national average for college graduates of 25 years ago.

The average for men: 1.77. For women: 1.26.

For comparison, the bureau figures the average non-college woman of the same age would have 2.45 children. If she only went to school four years, she'd have 4.33 children.

3 NEGROES GIVEN LIFE FOR SLAYING MILKMAN

Chicago, June 14—(AP)—Three young Negroes, charged with slaying a milkman when he resisted their attempt to rob him of \$73, were given life sentences today.

Judge George M. Fisher of criminal court said the youth of the defendants saved them from the "extreme penalty."

Sentenced were Joseph T. Nelson, 17, Ralph Draper, 19, and John Egan, 18. They pleaded innocent in the slaying last Jan. 28 of Fred C. Franke, 53.

Ask Tax Exemption Be Denied Schools Using Red Profs

Springfield, Ill., June 14—(AP)—The Broyles commission today asked the legislature to deny tax exemption to colleges employing professors who belong to "subversive, communist or communist front" organizations.

The commission, in a special report signed by 11 of its 15 members, also recommended passage of laws giving the state government power to remove from office college administrators refusing to fire such professors.

A sharp dissent from the majority views was issued by one member of the legislative group which investigated the University of Chicago and Roosevelt College, Chicago.

Senator Norman C. Barry (D-Chicago) said no subversive activities were discovered and that he wanted "no part in dictating" to trustees or governing officials of the schools. Barry called them "men of integrity and distinction."

The commission announced last month it would file its report a 300,000 word record of testimony by witnesses at its hearings, and that no recommendations would be submitted.

Deaths From Heat Wave, Storm Rise To 24 Across U.S.

Chicago, June 14—(AP)—Deaths from a heat wave, storms, and floods mounted today to 24 in two widely separated areas of the nation.

New England reported 12 deaths due to a heat wave. No relief was in sight.

At least 10 were dead in north Texas from storms and floods.

Fairly heavy rains of around an inch cooled portions of the midwest somewhat, although humidity was high and uncomfortable. Continued warm and humid weather, with occasional showers, was forecast for the Great Lakes region and some other parts of the midwest.

New Jersey, meanwhile, was in the 23rd day of a drought, with no real rain in sight until at least Thursday. A water shortage was developing. The state agricultural department predicted "serious damage" to crops unless prolonged rains arrive soon.

Heavy rains in north central Missouri sent the Grand river to flood stage and brought forecasts of overflows on the Missouri from Lexington to the mouth of the river. The Kaw river flooded farmlands near Lawrence, Kans.

F.D.R., Jr., Takes His Seat in House As Mother Beams

Washington, June 14—(AP)—One of the most famous names in U.S. history was back in political business today: Franklin D. Roosevelt, Jr., was sworn in as a member of the House.

The third son of the late president took the oath while his mother, Mrs. Franklin D. Roosevelt, looked on happily from the gallery. She sat in the presidential box, the same spot from which she heard her husband address joint sessions of Congress.

Acting Speaker John W. McCormack (D-Mass) read the oath to the 34-year-old lawyer, who wore a rumpled brown suit.

The ceremony took less than a minute. There was applause from Republicans, Democrats and spectators, and Roosevelt sat down among the Democrats.

Actually Roosevelt wasn't elected as a Democrat, although he'll be one here.

He failed to get the regular Democratic nomination for New York City's 20th district, a job left vacant by the death of Sol Bloom, a Democrat.

So Roosevelt ran as a candidate of the Four Freedoms and the Liberal Parties. In doing so he licked the regular (Tammany) Democrat, a Republican and an American Labor candidate.

Only blot on an otherwise perfect day: The House roll call booklet came out with Roosevelt's name in italics, the type used for Republicans.

Said a clerk in the house clerk's office: "Purely accidental."

Floods In South China Upsets Red Army's Time-table

Canton, June 14—(AP)—Floods in south central China appeared today to have upset the time-table for the Red army's drive southward.

An American oil company representative confirmed press reports that the city of Changsha has been flooded by the Siang river.

Changsha, 400 miles to the north, lies on the Hankow-Canton railway. This is one likely line of the communist advance.

The Kan river, which flows northeast of Canton, also is in flood. The Kan valley is the second best route from central China to this refugee capital of nationalist China.

While the front remained quiet, workers and students began receiving notices to "stick to your posts and preserve everything in readiness for the liberation." These notices, presumably from communists, bore Canton and Hong Kong postmarks.

Meanwhile, new Premier Yen Hsi-shan pledged himself to lead what remains of nationalist armies in "a fight to the end for independence." The declaration was in a message to troops.

Storms And Heavy Rains Fatal To 10 In North Texas

Dallas, Tex., June 14—(AP)—Storms and cloudbursts of up to 10 inches took 10 lives in north Texas last night and today.

A flood warning was issued for a lowland area along the Trinity area—the same meandering stream which hit Fort Worth in mid-day. The flood this time was downstream from Fort Worth.

Four persons drowned today at Garland, small town northeast of here. All were caught in waters of Duck Creek, set rising by a 10-inch rain.

A car-train collision in a blinding rain killed three teen-age youths on the outskirts of Fort Worth. In Denton county a boy drowned when the sudden storm capsized his boat. In Dallas, an infant suffocated when the storm knocked out lights last night, and a man was killed by a motorist who said he was blinded by rain.

A Frisco freight train piled up in a washout in northwest Dallas county. It was not until hours later that all crewmen were found.

Black churning clouds so thick they darkened downtown streets here were accompanied by high winds and 2.92 inches of rain. The U.S. weather bureau here predicted the Trinity river would rise to 38 feet here—10 feet above flood stage.

Springfield, Ill., June 14—(AP)—The Illinois House voted today to allow state's attorneys \$1,000 a year in state funds for travel expense.

The state's attorney in each of the 102 Illinois counties would benefit if the Senate approves the bill and the governor signs it.

Rep. Lottie Holman O'Neill (R-Downers Grove) said the money was to compensate county prosecutors for official duties saddled on them by the legislature.

She said such duties included attending state liquor control commission hearings in Springfield and Chicago, arguing cases before the state supreme court in Springfield, and interviewing prisoners held in other counties or other states.

Coal Operators Pick One Man To Represent Industry

Reports Communist China Eager To Follow Dictates Of Moscow

(Editors—Spencer Moosa, veteran Associated Press correspondent in China, was at Peiping when the Communists occupied it Jan. 22. On Feb. 26 all foreign correspondents were told to cease filing dispatches. Now en route from Peiping to Canton, Moosa is free for the first time in nearly four months to write of what he saw and heard in Peiping under the new regime. This dispatch was filed at Pusan (Fusan) when his ship stopped there.)

By Spencer Moosa

Pusan, Korea, June 14—(AP)—Communist China shines as an apparently willing satellite of Russia.

There is no sign of coercion or compulsion in the relationship. There is every sign the Chinese Communists are in fact eager to follow the dictates of Moscow.

As one just coming from Communist Peiping, I have been asked: "Are Chinese Communists simple agrarian reformers who by an unfortunate mischance chose the wrong label?"

The answer is a positive "no." The idea that they are only agrarian reformers is a myth which has been exploded in the minds of nearly everyone in North China. That goes for Chinese as well as foreigners.

Chinese Communists are exactly what they say they are—Communists.

Their doctrines are those of Karl Marx, as adapted by his disciples, Lenin and Stalin—and by Mao Tse-tung, leader of China's Communists.

Through the rule of Mao and his party, China is becoming an extension of the Soviet power bloc.

There is as yet no open evidence, which would be conclusive in a court of law, that the Kremlin is giving direct, active aid to the Chinese Communists.

The affinity between the Kremlin and Peiping, the capital of Communist China, is however, indisputable.

Chinese Communist leaders are such well-trained Marxists that they know what tack to take.

For example, when Russia proposed the four-power talks to discuss the Berlin question, the Chinese Communists called a temporary halt to their attacks on "American imperialism."

One of the first things the Chinese Reds did when they felt firmly on their feet in Peiping was to proclaim that they would fight on Russia's side in event of war. There is no evidence Russia asked for this declaration. In fact, Peiping gossip had it that the Russians were somewhat put out because the Chinese Communists took the step without Moscow's direction.

Numbers of Russians serve with the Chinese Communists. There is no way of telling how many there are and what they do.

They might represent the Soviet government, or the Cominform—the international agency of Communist propaganda. Some even could be Russians who lived in Manchuria and volunteered.

Following Soviet propaganda they know what tack to take.

THE COMMITTEE THAT BURIES BILLS

The President's housing program would be buried for the year were it not for a 1949 change in the lawmaking rules of the House.

In former times, a bill had to clear two barriers to get to the floor for debate. It had to win approval of the committee that studied it, and then be endorsed by the rules committee.

This powerful group, set up originally to serve as traffic policemen for all measures, had long since gone into the embalming business. Acting as a sort of super-committee, it interred bills right and left. Seldom did anyone try to combat its decisions.

It was this committee that last year killed major housing legislation, after the Senate had passed it and the House banking committee had recommended.

This season the 1948 story on housing has been repeated in every detail save one. The rules are different.

Responding to taunts that the rules committee exercises autocratic power over legislation and can defeat the will of the House majority, Democratic leaders pushed through a new procedure that allows the House under-takers to be by-passed.

Now, when the rules committee says "no," the chairman of the interested lawmaking committee may file a discharge resolution with the House. When the resolution has been on the calendar 21 days, it may be brought up. If it is approved, the disputed bill comes to the floor.

That's the new element in the housing story. The rules committee turned the 1949 bill down, but Chairman Spence of the banking committee had expected this and already had his discharge resolution on file. So the bill gets a new lease on life, and may come up late in June.

Speaker Rayburn, a veteran legislator not given to overstatement, predicts a housing bill will pass at this session. If he is right, it will mark the first major success of the new rule aimed at assuring the majority its proper voice.

Majorities are not always right. They make mistakes. But majority rule is a foundation stone in our way of governing.

We provide devices for correcting the errors of a majority. A bad law may be amended or repealed or superseded by a better one.

Results may not always be perfect. But they outshine any perfections that could be dictated by the rules committee, a small group of men whose former power felt no tight checkrein from the people.

Whatever the merits of this particular housing bill, it might be a healthy lesson were it to pass the House and go to the President's desk. It would prove to the rules committee morticians that their embalming days are over and they'd better get back to directing traffic.

Civil War Novel Has Setting In Morgan Co.

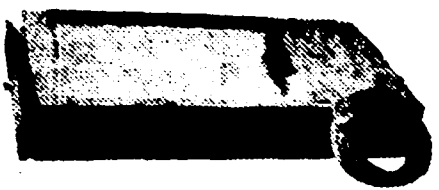

Chapin, one of Morgan county's most attractive villages, is the setting for the opening chapters of a historical novel, "A Union Forever," scheduled for publication in September. The novel is the work of Muriel Culp Barbe of Burbank, Calif., who for several years has carried on extensive correspondence with several Morgan county citizens to obtain material for the 500 page book.

"A Union Forever" opens in the village of Chapin, 10 miles west of Jacksonville, where a 15 year old orphan boy, Lewis Hanback, is "taught up in the events that carry him to the Kansas border where he meets two young men who become a part of the band of Capt. John Brown. Following the failure of the Brown campaign, Hanback, teaching school west of Chapin, meets Abraham Lincoln at a school picnic. When war is declared, he is among the first to go serving on the staffs of several officers, notably Colonel George Roberts, hero of Island No. 10, and Phil Sheridan. His letters to his sweetheart and his lectures and articles of after days are used in depicting the battle scenes of Stone River, Chickamauga, and the storming of Missionary Ridge.

Eye witness accounts of these battles never before published are contained in the novel, according to its author.

"The Journal" is mentioned several times in the story that unfolds in the Chapin community. That reference is to the Jacksonville Journal, which was widely circulated in west-

Yanks In Germany Captives Of People They Captured

By HAL BOYLE

Berlin, June 14.—(P)—Americans in Germany have in some ways become the prisoners of the conquered.

They are suffering, to a degree at least, the fate of all occupation powers through history—the fate of becoming a captive of the people they captured.

But the Americans are being captured on a cultural and household level rather than on a military level, by German music, beer and servants rather than by the theories of Clausewitz.

That was the impression gained by correspondents flown here by American overseas airlines on a tour of the war zones. It was confirmed by a number of Americans stationed here for the last three years.

The hardening of the political lines between east and west has brought a softening of the attitude between the individual American and the individual German. Even combat men who fought across this land four years ago have dropped the word "kraut" from their vocabulary.

Germans Men Now Welcome
The difference that has taken place on the social level can perhaps best be shown by two parties I attended here three years apart.

At a farewell party in 1946 there were some frauleins present, two Russian officers but no German men. Some newly arrived American wives gave the frauleins the silent treatment all evening. The German orchestra leader taught the crowd to sing a German song, but most of the tunes the band played were American.

This week the correspondent group went to another party. The band played only two American tunes. The Americans sang and danced to German songs. No Russians attended the party, but there was a fraulein or two there and several German men. The American wives danced gaily with the German men.

Living isn't so lush for Americans in Germany today as it was three years ago. But they can still live more cheaply here than they can at home in terms of parties and

servants.

Understands Germans Better
Many American families are disturbed by the problems of rearing children here. One husband whose child is just learning to walk said: "I don't like the fact he can understand his German nurse better than he can me."

An intelligent wife said one of the most depressing things to her was the struggle for power that went on among German servants in her household. "They'll do anything to each other, no matter how petty or cruel, to get a favored job," she said. "And they haven't in any way lost their desire to dominate."

"I have lived in Germany before and since the war. In all that time I have never met a German I felt like throwing my arms around and saying, 'You sweet old thing! You aren't loveable and they haven't changed. And that gives me a hopeless feeling.'"

It isn't much fun to be a conqueror when the guns cease firing and you become as stranger in a land that doesn't want you.

Ashland Legion To Sponsor Third Horse Show

Ashland—The third annual American Legion horse show will be held at Ashland on Sunday, June 19, at the high school athletic field at 1:30 p.m. (CST). Arrangements are being completed to make this show the largest and finest, with an increase in the number of entries from all of the surrounding states and an increase in prize money.

A trophy, suitably inscribed, and prize money will be awarded for each of the following classes: Western Parade, Junior 5-Gaited, Western Pleasure, Open 3-Gaited, Roadster (to Bike), Western Horsemanship, Open Fine Harness, Western Pair, Roadster (under saddle), Open 5-Gaited, Working Stock Horse.

Jay Jones of Nevada, Missouri, will be the judge. Entries may be sent to Mrs. Glen Whitehead of Easton, or to Raymond Ranes, general chairman, at Ashland. In case of rain the show will be held on Sunday, June 26.

Tickets are now on sale. Children under 12 years of age will be admitted free. A lunch and refreshments will be served by the American Legion Auxiliary. Plenty of bleacher and parking space will be available.

White Hall Man Indicted; Bond Totals \$8,000

Jerseyville—The grand jury of the Jersey County circuit court held a recalled session here Monday morning and during that time returned three true bills.

Two indictments were returned against Henry Clay Bradshaw of the White Hall vicinity. One of the true bills charge the defendant with burglary and larceny and receiving stolen property and the other with assault with intent to murder. Bench warrants were issued and bail fixed in the sum of \$3,000 on the former charge and \$5,000 on the assault with intent to commit murder charge.

Mrs. A. J. Gebert, Formerly Of City, Dies In California

Mrs. Mary Gebert, a former resident of this city, passed away early Tuesday morning at her home in Los Angeles, Calif., following a heart attack.

Mrs. Gebert was born in Jacksonville on Oct. 2, 1868. Her marriage to Albert J. Gebert took place here on Oct. 10, 1893. He died 13 years ago after which Mrs. Gebert moved to California. Mr. Gebert was for many years a member of the firm of McCarthy & Gebert, cigar manufacturers.

Besides her husband, she was preceded in death by one daughter, Mary.

Surviving are eight children. Mrs. Elton Gruber and Mrs. Denham Harney, both of this city; Mrs. Allen Stewart, Mrs. John Norris, Mrs. Harry Eby and Charles Gebert, all of Los Angeles; Mrs. T. M. Walsh of Duluth, Minn., and Albert Gebert of Wichita, Kan.

There are also eight grandchildren.

The body will be brought here and will be taken to the Reavy Funeral Home. Funeral services will be held from the Church of Our Saviour. Further arrangements will be announced later.

Morgan County Stands 58th In "E" Bond Sales

Arnold J. Rauen, State Director, U. S. Treasury Savings Bonds Division for Illinois, reported Tuesday that 11 Illinois counties, as of June 4, had reached and passed their quota in the current "Opportunity" drive for sale of Series "E" U. S. Savings Bonds. The campaign opened May 16, ends June 30 and the accounting period is from April 1 through July 18.

The 11 counties and percent of Series "E" Savings Bonds goal reached are: Schueller, 149.6%; Macoupin, 141.5%; Gallatin, 133%; Franklin, 116.3%; Edwards, 109.9%; Fulton, 109.8%; Johnson, 109.6%; Pike, 109.2%; Clay, 107%; Brown, 103.2%; and McDonough, 102.6%.

Morgan county reached 58th place in the standings of counties in the drive in percent of "E" Savings Bonds quota attained. Through June 4, residents of this county, in which Francis R. Rantz, heads the Savings Bonds activities, had invested \$206,912 in "E" Bonds, or 66.5% of its quota of \$311,000.

The quota for Illinois is \$89,000,000 in the drive. As of June 4, 70.6% of that quota had been reached. Rauen said.

Senate Group Hits Army's Slam Of TVA Head Clapp

Washington, June 14.—(P)—A Senate committee put the army on the pan today for applying the term "unemployable" to TVA Chairman Gordon R. Clapp, and concluded an "injustice" had been done the agency head.

In its turn, the army banned forever "unemployable" from official military use as "a bad word."

When the hearing ended, Senator Kefauver (D-Tenn.) told reporters the Senate group was "thoroughly convinced that an injustice was inflicted on Clapp."

Red-face apologies previously issued from the Pentagon last week

when the appellation became known. Gray, and Assistant Secretary Tracey Vorhees, told the committee flatly today:

"There is absolutely nothing in military intelligence files that reflects on Clapp's loyalty or integrity or in any other manner."

Gray testified it had been used to "denote unavailability" of Clapp for a 90-day lecture assignment with the military government in Germany.

CHANGE STOCK VALUE

Springfield, Ill., June 14.—(P)—The Farmers and Merchants Bank of Highland was authorized by the state auditor today to change the

par value of its capital stock from \$71 to \$50. The bank also was authorized to increase the number of shares from 850 to 1,700, effective tomorrow.

SIAMESE TWINS BORN

Managua, Nicaragua, June 14.—(P)—Siamese twins, joined abdominally, were born last night to Evangelista and Cruz Jaen Trinidad in the town of Diria near here. They were said to be the first Siamese twins born in the country. They were named Jose and Juan.

The parents have five other children.

Pollen From Many Grasses May Cause Spring Hay Fever

By Edwin P. Jordan, M. D., Written For NFA Service

Most victims of "hay fever" do not have it, and their trouble does not come from hay. In the early summer, however, there are some who suffer with sneezing, running noses or watery eyes, which goes by various names, including rose cold, summer cold, or spring hay fever. This is often caused by grass pollens.

Ordinary hay fever is caused by plant pollens floating in the air. A great many pollens can produce the symptoms of hay fever, although the ragweeds and their relations are responsible for more trouble in the northern part of the United States.

than any others. Timothy, June grass, and Bermuda grass are the most important sources of this kind of trouble. The first two—timothy and June grass—are the worst in the northern parts of the United States, whereas in the south, Bermuda grass is the most important.

Timothy, which is also known as her's grass, rat-tail or soldier's feather, grows wild and under cultivation through nearly all North America. This grass sheds its pollen in late June and early July. This takes place principally in the early hours of morning, shortly after sunrise.

June Grass. June grass, of Kentucky Blue Grass, as it is sometimes called, is the principal pasture grass in America, though it is rarely cut for hay, since it does not grow large enough.

This grass sheds its pollen in May and early June. The other most important grass, Bermuda grass, is sometimes called the scotch grass, dog's tail, or Indian doeb. It is found as far north as northern part of the United States, New York and Massachusetts, but

it is principally a southern grass. It tolerates the heat very well and pollinates during the early and middle summer, depending on the geographical location.

As a rule, the symptoms from grasses are not as severe as those from ragweed. The grasses do cause some trouble, however, and many people who are sensitive to grasses are sensitive to ragweed as well.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

THE DOCTOR ANSWERS

BY EDWIN P. JORDAN, M. D.

QUESTION: How often should I use salt tablets?

ANSWER: Salt tablets will remain good indefinitely if kept dry. They should not be used unless the body is losing more salt than it is taking in through the ordinary diet. This generally occurs only in those who reside in tropical climates or are engaged in extremely hot occupations.

ISLAND OF ESCAPE

By Hugh Lawrence Nelson
Copyright © 1949 by Hugh Lawrence Nelson. Distributed by NEA Service, Inc.

BEA COSGROVE felt closer to Speare Island than ever before. The present makeshift quarters did that. She had not realized before how confined the life had been.

"Nona McGuire and George have been off together all day long," Agnes said petulantly. "I haven't anyone but you to talk to now." She looked strangely at Bea. "Why don't you come right out and say you think I'm jealous?"

"I didn't intend saying anything," Bea said.

"Why not? It's true enough, I suppose. It's the way things always happen to me. I thought I'd found a real lasting friend in Nona. Then all of a sudden she and that George Bascombe have to be close to each other all the time. Have to keep touching each other, whispering and wandering away together."

"I don't think it's something sudden."

Agnes paid no attention. "Why couldn't he have stayed with that Mollie Stark? She's his sort. They belong together. He shouldn't be with someone like Nona. And the way she looks at him! Well, I guess I don't care if she wants to be like that. I don't need her! I can stay on Speare Island with Mabel."

"Mrs. Jones asked you to stay?"

"Does that surprise you?" Agnes demanded. "You mean you don't think anyone would want me?" She stopped, drew in a deep breath and made one of her quick changes. "I'm a fool. I'm sorry."

"Even if Nona is in love with George, I don't see any reason you two can't still be friends," Bea said.

"You mean you don't think she is?"

"I don't know. I meant you could still be friends."

"No," Agnes said thoughtfully. "It wouldn't work. I don't trust George. I'm afraid, Bea. There's

clear by tomorrow. And the surf will go down. Tomorrow we will light the beacons. The smoke from the wet wood may be seen."

Bea left the shelter, walked out to where she had an unrestricted view of the Island. The sun was gone, but overhead there were still patches of a bright blue.

"Here comes Agnes. She's running!" she called.

"Probably saw a ghost," Sillwell said. "Or her own reflection in a pool of water."

But they all stood up, came out and waited for Agnes Firth. They could hear her shouting something long before they could make out the words.

"A ship!" The words came clearly at last. "I saw a ship!" In another few moments she was the center of the whole group, and words tumbled from her mouth. "I was watching the sea, down near Fisherman's Cove when the sun broke through. I saw it then. The Simpatuco."

"Impossible," Harding snapped. "It couldn't be the Simpatuco. It isn't due for a long time yet. Maybe another fishing boat."

"I saw it clearly," Agnes insisted. "I tell you I saw it just as plain as could be. I could make out it was damaged. Part of the railing at the stern was broken."

Henry Harding stopped the rush. "What could you see now? It's getting dark. And the surf's still too high to let anyone land. If this wind holds, the surf'll be down by tomorrow."

They all returned unwillingly to the shelter.

"We might as well eat," Mabel said.

"Wait a minute," Sillwell ordered. "This calls for a real celebration. A real drink all round. He pulled bottles from the case he and Mollie had been working on. There were enough to go around. "Open them up," Sillwell said. "I'll give you a toast."

He waited a moment and then raised his bottle in mock salute to Harding. "Here's to our deliverance from Speare Island and to the pleasant future!"

Henry Harding stared at his bottle. He alone made no move to drink.

Limited Time Left For Entering Derby

Registration for the 1949 All-American Soap Box Derby is expected to close next week. Forty boys have already signed up and it is hoped to secure about five more before the deadline.

Last-minute entries are still being accepted however. Boys can register at the Cornbelt Chevrolet company, co-sponsor of the race with the Journal Courier.

The Derby—the greatest amateur sporting event in the country—is open to all boys between the ages of 11 and 15. Thrills and fun galore plus a chance at winning many valuable prizes, await the Derby entrant.

The local Derby, staged by the Exchange club, will be held on Sunday, July 17. Among the more recent entries are Jimmy Crouse, car No. 38, sponsored by Rimbey Adjustment Service; John Mentler, car No. 39, sponsored by United Wholesalers; and Raymond Cobren, car No. 40.

Plans are under way to make this year's Derby one of the most outstanding ever held here. Exchange club committees are busy completing final arrangements and boys in all parts of the city are industriously engaged in putting the finishing details on their racers.

With only a limited time left in which to enter, boys who haven't yet made their applications are again urged to do so immediately.

Wife And Son To Receive Estate

The late John T. Roberts of this city, in his will which has been filed for probate, bequeathed his estate to his wife, Mrs. Mary Roberts, and son, Eldridge Roberts, both of whom were named as executors.

Mr. Roberts bequeathed residence property to his son, subject to the right of his wife to occupy it as her home as long as she lives. The remainder of the estate was left to the wife, to pass to the son at her death.

The will was made April 25, 1949, witnessed by Orville Foreman, Dr. Ellsworth Black and Lucretia Renschler.

Card of Thanks

Just how high is "HIGH COMPRESSION"?

WHEN the talk turns to cars and car engines these days, that's a topic you hear much about.

So it's fairly interesting to note that, even back before the war, Buick engines like this one were touring the testing grounds with compressions as high as 10 to 1.

Even later than that this same big Buick power plant has been filling our engineers' notebooks with data on 8 to 1 compression ratios.

What has come out of this? Two or three interesting points.

First of all, that this big Buick Fireball valve-in-head straight-eight already has a compression ratio that

gets as much out of present fuels as any engine on the market.

Next, that these ratios can readily be stepped up to fit higher octane gasolines as they become available.

And probably most important of all, that high compression is only one measurement of a good engine.

There's the fundamental matter of engine efficiency—power output per cubic inch of displacement, engineers call it. On that score, Buick stands where it always has—just about tops in its field!

Which means, in very simple words—better go see for yourself.

The fun you get from your car—the pleasure and satisfaction it gives you—are best measured in just one place—behind the wheel.

So we invite you to see your Buick dealer for a firsthand test of Buick. Take it in your own two hands and find out how good it feels, how full of get-up-and-go.

It won't take long to make it pretty clear that the place to get your order in is the place where you get Buick power.

Release Tagged Fish In Three Lakes For "Rodeo"; Offer Prizes

Tagged fish were released in the three Jacksonville lakes Tuesday for the Illinois Fishing Rodeo, sponsored by the State Department of Conservation in cooperation with the Jacksonville Chapter of the Illinois Federation of Sportsmen's clubs.

The game fish were brought here in a state department tank truck. At 10 a. m. a group of officials began making the rounds of the lakes, releasing the tagged fish which when caught, will be worth valuable merchandise prizes.

Half of the consignment of fish was released in Lake Jacksonville, and the remainder was apportioned between Lake Mauwaisterre and Morgan lake.

A total of 127 prizes donated by local dealers in sports goods and other business men interested in conservation work are available for anglers who catch the official tagged fish. Official Conservation Department tags carry the letters and numbers "CD-48" (meaning Conservation Department—1948), plus the serial number signifying a prize.

Rules for the Fishing Rodeo were explained by officers of the Jacksonville Chapter of Sportsmen. Fish must be caught before next October 15; either artificial lures or live bait may be used; prizes will be awarded only for fish with an official tag attached to the gill; fishermen who land a tagged fish should report the catch to a local certifying officer.

Certifying officers for the Jacksonville Fishing Rodeo include Kenneth Looman of Meredosia, conservation officer for Morgan county; Alderman Allen Kelly, 860 Edgemoor Road; Pat Crossen at Lake Jacksonville; and Russell Kelley, superintendent of parks.

All kinds of fishing gear is offered among the 127 prizes. Business men and firms furnishing prizes include Walker Hardware, Club Billiard Parlor, Grant's store, Noudett Sporting Goods store; Montgomery Ward Co.; Sears, Roebuck & Co.; S. S. Kresge; Gebhardt Auto store; Withee Sporting Goods Co.; Fox Theaters; Firestone store; Pat's Place at Lake Jacksonville, Illinois Federation of Sportsmen Club memberships.

Moochers Travel In Style Again

The business of transients and panhandlers is becoming ultra modernized and streamlined even to the extent of being motorized lately, according to a statement made Tuesday by Major Henri Servais of the Salvation Army.

During the last ten days, no less than eight cars, from a lone occupant to a family of seven, have stopped in for gas, oil, food and what have you. Five of them claimed to have had the prospects of jobs in Jacksonville, but upon checking their claims it developed that only one case out of five had really applied for work, Major Servais said.

A man and his wife who were driving a 1942 Packard, wanted hotel accommodations "until such time" they could find work. They were given five gallons of gas, a meal ticket and strongly urged to face one particular direction and keep moving. Three others asked for loans up to \$30. They were all given the same consideration and advice.

Wedding Customs Topic Of Arcadia Club's Program

"Wedding Customs" was the topic of an interesting program presented at the Arcadia Woman's club, held at the Community hall.

Several talks on this subject were given, including "Wedding Customs of Foreign Lands" by Mrs. Lena Thompson and "Historic Churches of Forest Lawn" by Mrs. Maggie Thompson. Mrs. Ben Cully gave a report on her trip to Holland, Mich., during tulip time.

The newly-elected president, Mrs. Iva Buck, began her duties at this meeting. The club voted to make a donation to the building fund. A donation for the fund was sent by Mrs. E. J. Henderson. Mrs. Blanch Henderson read the secretary's report. A letter from Mrs. Bernice Ruby inviting the club to hold a picnic dinner at her home in August was read.

Sixteen members, two honorary members, Mrs. Josephine Obermeyer and Mrs. Sallie Deatherage, and the following guests were present: Mrs. Coy Stice, Mrs. Ben Cully, Mrs. Clemmons, Mrs. George Burmeister, Mrs. Martin Burmeister and Miss Anna Mallicoat.

Refreshments were served by the hostess, Mrs. Emma Henderson. The July meeting will be held in the hall, with Mrs. Bernida Rolf as hostess.

Questions And Answers On Service To Veterans

(This is another in a series of questions and answers regarding the rights of ex-servicemen and their families, as answered by Keith C. Peabody, Veterans Employment Representative, Illinois State Employment Service, 211 East Morgan street. For further information, contact Mr. Peabody.)

My son has been totally disabled for the past 5 months. Must he pay his National Service Life Insurance premiums or is a waiver on these premiums granted automatically?

Yes, he must continue to pay his National Service Life Insurance premiums until he receives notice from the Veterans Administration to discontinue these payments. There is no automatic waiver. When the veteran has been totally disabled for 6 months, he should submit a written application for waiver of premiums to the Veterans Administration, plus whatever medical evidence he may have of his disability condition.

Are disabled veterans of W.W. II eligible for National Service Life Insurance policies?

Yes. Veteran suffering from service incurred injury or disease ag-

gravated may apply for National Service Life Insurance provided that it is less than total in degree. Veteran must have had service between October 8, 1940, and Sept. 2, 1945.

What is meant by "total disability" in National Service Life Insurance policies?

According to the ruling of the Veterans Administration, total disability is any impairment of mind or body which continuously renders it impossible for the insured to follow any substantially gainful occupation.

CHICAGO LIVESTOCK
MARKET REPORT

Chicago, June 14.—(P)—Hogs lost 50 to 75 cents a hundredweight today and sheep 50 cents to \$1.00. But cattle were unevenly strong to weak.

Some 2,000 more hogs appeared for

sale than the trade had expected, but supplies were cleared at the lower values. Most good and choice hogs brought \$18.25 to \$21.00 and a top of \$21.25, but these brackets applied to weights under 300 pounds. Heavier weights were scarce. Sows made \$14.00 to \$18.25.

Best price on steers was \$29.50, most medium to choice offerings receiving \$23.00 to \$29.00. Heifers grading good to low-choice sold from \$25.50 to \$27.25 and choice kinds took up to \$28.50. Beef cows topped at \$22.00 and sausage bulls at \$23.00. Choice vealers reached \$27.50.

Spring lambs found a practical top of \$25.00, although some choice show types hit \$26.00. Ewes topped at \$9.00.

Receipts for sale were estimated at 11,000 hogs, 7,500 cattle, 500 calves, and 500 sheep.

New York Stock
Market

New York, June 14.—(P)—The stock market made a try for higher prices today but the effort didn't have much driving power behind it.

Gains running to around a point were in a majority. Numerous key stocks, though, could not make the grade and many merely see-sawed without getting very far one way or another.

Trading got off fast start but slowed down as session progressed. Turnover was at the rate of

around 1,200,000 shares for the full day, a total well above average. Corporate bonds tended lower.

GRAINS FOLLOW LEAD
OF WHEAT, ADVANCE
AFTER EARLY SLUMP

Chicago, June 14.—(P)—Wheat led other grains upward from an early low at the Board of Trade today. The advance came on news the government wants flour, and a better cash market at Kansas City. Wheat pushed up in a good closing rally, but corn and oats were inclined to drag. Good rains where needed had a slowing effect on feed grains.

Receipts were: Wheat 37 cars, corn 54, oats 18, rye 1, barley 6, soybeans at 11,000 hogs, 7,500 cattle, 500 calves, and 500 sheep.

At the close wheat was 11 to 12 higher than yesterday's close, July \$1.95 1/2 to 2. Corn was 1 to 1 1/2 higher, July \$1.30 1/2 to 1 1/4. Oats were 1 to 1 1/2 higher, July \$1.10 to 1 1/4. Rye was unchanged to 1 cent higher, July \$1.35. Soybeans were 1 to 2 1/2 higher, July \$2.23 1/4 to 2 1/2. Lard was 7 to 8 cents a hundredweight higher, July \$11.20.

"FLASHBULBS" OVER MANHATTAN—The Air Force created this "string of pearls" over New York City in an aerial photography experiment. This time exposure shows the series of photo-flash cartridges dropped by a B-17 bomber. The bright bursts of light, each representing 30,000,000 candlepower, were set off at intervals of about four seconds. They were accompanied by sharp reports, but forewarned New Yorkers calmly watched the show. (Photo by NEA-Acme staff correspondent Andy Lopez.)

Charles Laughs
About Walcott's
Big Weight Edge

Momence, Ill., June 14.—(P)—Ezzard Charles, the 27-year-old hard-hitting negro from Cincinnati, says he would rather have youth on his side than an additional 14 or 15 pounds in weight.

That is how many pounds he will give up to Jersey Joe Walcott, the 35-year-old former garbage collector in Merchantville, N. J., who gets his third crack at a world's heavyweight boxing crown. He lost twice in title bouts with Joe Louis.

Charles and Walcott will tangle for the NBA-sanctioned heavyweight battle June 22 in Chicago's Comiskey park—the same setting in which Louis blasted Jim Braddock to gain the crown 12 years ago.

Charles plans to enter the ring weighing about 180 to Walcott's 195. "That edge doesn't mean a thing," recites Charles. "I won my last three fights against heavyweights and have up plenty of pounds. Joe Baks topped 210 and I scaled 178. I stopped him in 11 rounds. Johnny Hayes was in at 214 and I knocked him out

in eight. I had more trouble with 185-pound Joe Maxim than the others. He still had his speed."

Charles, who relaxes during his conditioning program by playing a bass viol, already has reached his fighting weight for the big bout. Walcott, whose training camps is 12 miles away, still must shed some eight pounds.

Meanwhile, publicity director Harry Mendel reports more than \$150,000 in advance sales for the fight.

House-painting in the hot rays of the sun should be avoided. If a house faces east, the painter would be wise to start early on the west side, doing the east at a later hour.

Odds Favoring Cerdan Cut On Eve Of Fight

Detroit, June 14.—(P)—Bronx cash and Jake La Motta's fine condition have cut the odds favoring Marcel Cerdan to 5 to 8 for the Frenchman's first defense of his world, middleweight title fight tomorrow night at Briggs stadium.

The 15-round bout for the 160-pound crown which Cerdan won from Tony La Zee last September probably will attract about 20,000 fans and a gross gate of some \$225,000. Approximate ring time for the main event is 10:00 p.m. (C.D.T.) but it may be moved up if the weather threatens.

Scattered morning showers were predicted by the weather bureau which said there was no indication of rain tomorrow night.

The pick here is Cerdan, despite

the assurance that granite-jawed Jake will go into the ring the sentimental choice of a majority of the customers. So-called "expert" opinion is about evenly divided with surprising support for La Motta, who was tabbed "all washed up" less than two years ago. It may be the fight of the year.

It is 11 to 5 against Cerdan scoring a knockout over the erstwhile Bronx Bull who proudly boasts he never has been knocked off his feet. If Cerdan is to win, the knockout appears to be the most likely weapon.

La Motta, at 26 a veteran of 88 rough and tumble fights, is primed for the battle of his life. He may come in surprisingly light for a man who weighed as much as 167½ when he knocked out O'Neill Bell in this city April 18.

Still Jake will have a serious handicap—old cuts around his eyes. The cuts, sustained in a losing effort against Laurent Dauthuille at Montreal in February and sliced open again by Joey De John at Syracuse May 18 have healed on the surface. Yet Cerdan's flailing fists may reopen them.

It is on the midsection that Cerdan can be expected to concentrate until he gets a chance to work on the eyes. Despite reports of too much fun and not enough boxing by Marcel, his intimates insist the Casablanca fighter is in the best condition ever for an American appearance.

Since beating Zale into a state of utter helplessness at Jersey City to win by a 12th round knockout Sept. 21, careerist Marcel has made a movie, fought an exhibition bout and knocked out two men—Dick Turpin and Lucien Krawczyk—in non-title bouts.

Russ Cole's Jay-Cee girls were slated to go against the Springfield Madison girls at 7:30 p.m. The Jacksonville misses, boasting a record of 12 wins and 3 losses to date, will be tangling with an outfit that has been represented in the state finals the past five years.

The two feminine nines clashed in four diamond tilts last year. Playing the two initial contests at Springfield, the local gals, with Bert Lauder on the slab, clipped the Madison's by 5-run majorities both times.

The Springfield lassies turned the tables on the Jay-Cees in the pair of succeeding contests when they edged the Jacksonville bunch 5-4 at Havana, and then shut 'em out 6-0 on the same diamond a few weeks later.

Two Jacksonville girls, Marg Schneider and Ruth Mueller were the batteries for Springfield Madison. Bert Lauder, back in action after a leg injury, will twirl for the Jay-Cees with "Fid" Phillips receiving her slanta.

The Myers Bros.—class A—softballers will defend their 1-0 record in the Central Illinois Industrial Softball League against the Peoria Rosells in the feature, 8:45, tussle this evening. They hold their single win in the circuit over the powerful Streator club, and are rated one of the strongest contenders in the loop. Rosells will be a stiff test for the locals—to see if they are worthy of such billing.

Bert McNeely will toss 'em for Myers, with Paul Lasley working behind the plate.

WHERE THEY PLAY

New York, June 14.—(P)—Probable pitchers for tomorrow's major league games (won-lost records in parentheses):

National League
Boston at Pittsburgh—Spahn (7-5) vs. Werle (4-3)
New York at Cincinnati—Hartung (6-5) vs. Fox (3-4) or Raffensberger (6-6)
Philadelphia at Chicago (2) —Heintzelman (6-3) and Borowy (5-3) vs. Rush (4-7) and Schmitz (2-4)
Brooklyn at St. Louis (night) —Newcombe (6-3) or Branca (6-1) vs. Brazle (6-3)

American League
St. Louis at Washington (night) —Kennedy (0-2) vs. Scarborough (5-3) or Hudson (3-5)
Detroit at Philadelphia (night) —Gray (4-2) or Houtteman (3-1) vs. Scheib (2-2)
Chicago at New York—Sanford (4-1) or Shea (1-1) vs. Gumpert (5-6) or Kuzava (2-0)
Cleveland at Boston—Wynn (3-3) vs. Stobbs (0-1) or Masterson (3-0)

Speaking of rain—The Recreation Club is working feverishly trying to adopt some plan to combat the exterior elements. They've talked of tiling, gravel pits and canvas to keep the Southside diamond drained and dry. My suggestion—switch to water polo.

After Fred Saigh's trouble with city authorities over the alleged "car lottery," he'd better go easy. Maybe there's a law against giving a strange lady an orchid. At any rate, he'll make enemies of a lot of husbands who'll be heckled by wives saying "Mr. Saigh's giving away 4,000 orchids and you won't even buy me one."

The barheaded hubby can answer, "Yeh, but I'll bet he got a discount."

Know why Durocher peddled "Big Coop" to the Reds? The Giant catcher used three sponges in his glove instead of the customary one. Now he's rumored to have "Big Jaw" Mize and Willard Marshall on the block. Maybe they wear two pairs of socks.

Jim Buckley Ties Own Golf Record With 6 Under Par

Local golfing history repeated itself this weekend when Jim Buckley tied a 64 on the par 70 Country Club course to tie the green record and win the class "A" point tournament. Buckley didn't hurt a former champion's feelings with this feat since he merely tied his own record which he has held for several years.

Buckley shot a 34 on the first nine holes, then came through with a 30 on the second round to tie the low score for nine holes. He also holds that record.

Jack Rowland won the class "B" meet and H. S. Hunter nailed high honors in the class "C" tourney. The Country Club handicap tourney is progressing smoothly. Lushbaugh, last year's champion, is not competing this year.

The driving range is reportedly drawing good crowds during the evening.

Big Ten Invades West For National College Track Meet

Los Angeles, June 14.—(P)—Athletes from various sections of the nation, headed by representatives from the Western or Big Ten conference, began arriving here today for the national college track and field championships Friday and Saturday.

Leading the Big Ten into town was Commissioner Kenneth L. (Tug) Wilson, referee of the track fixture.

Minnesota, the defending NCAA champion, sent a small team and is figured to finish far down the line in team points.

Miller Don Gehrmann of Wisconsin headed his team, and teams from Rice Institute, Georgia Tech, Oregon State, and others augmented the arrivals.

Michigan State, one of the top contenders, and Penn State were already on the scene.

Eddie Joost Leads A.L. Shortstops In All-Star Poll

Chicago, June 14.—(P)—Eddie Joost, 33 year old infielder with the Philadelphia Athletics, has surged to the top of the American league shortstops in the All-Star baseball poll. The fans are balloting to name the starting line-ups for the 16th annual interleague game at Brooklyn July 12.

Joost, a .250 hitter last season, and one of the batting surprises of the American league campaign this season, soared to first place with 10,952 votes from the 37,618 ballots tabulated to date.

Joost is 121 votes ahead of Vern Stephens, Boston Red Sox veteran, who participated in the All-Star games of 1943, 1944, '46 and '48.

Lou Boudreau, manager of the Cleveland Indians, who will direct the American league starters, trails Joost and Stephens with 7,024 votes. Boudreau recently shifted to the third base spot with the Indians.

Sixteen additional newspapers and radio stations today joined the poll, bringing the total to 52 associates. The balloting, which appears to be headed for a new record, will end at midnight June 29.

With the exception of Joost, leaders at other fielding positions continue to hold first place. Ted Williams, Red Sox outfielder, maintained his position as the highest individual vote getter with 14,808. Jackie Robinson, Dodger second baseman, remained in second place with 12,401.

Stewart Whitacre's speedy young Pepsi Cola speedster is having his share of bad luck. John Whitacre, the manager's son and team third baseman, cut his finger off while running a Pepsi bottling machine Monday. Bob Mellor, shortstop, has a sprained back. Ferrel Mitchell and Francis Bunch, second and first basemen, are knee deep in baseball activity. Pete Orris, utility infielder and outfielder, has a spiked hand, and the batboy has a cold. "When it rains it pours!"

Dodgers Clip Cards 7-2 In Series Opener

St. Louis, June 14.—(P)—The Cardinals showed some sparkling fielding with a triple play but the Brooklyn Dodgers poured on the hits and the necessary runs to whip the St. Louis club 7 to 2 on a rain-soaked field tonight. It was the eighth straight victory for Brooklyn.

The 24,669 fans watched Jackie Robinson single home two runs before Gil Hodges lined to Marty Marion to start the one-two-three play in the first inning.

With the bases loaded Robinson scored Peeewe Reese and Mike McCormick. Marion took Hodges' liner, threw to Red Schoendienst to catch Carl Furillo off second. A fast toss to Nippy Jones got Robinson off first base for the triple killing.

Altogether the Dodgers slugged four St. Louis hurlers for 16 hits—starting Howie Pollet giving up the most runs and drawing the loss. He had pitched five consecutive victories before tonight.

Brooklyn picked up another run in the second inning on a double by Billy Cox and single by Duke Snider. Both clubs tallied twice in the fourth—the only time Dodger Hurler Preacher Roe had trouble.

A sixth inning homer by Gene Hermanski with Reese on base extended the Brooklyn lead.

Rain and wet grounds delayed the start of the game 25 minutes. Rain fell occasionally during the contest, keeping the field and ball slippery.

Westlake Helps Bucs Beat Braves
Pittsburgh, Pa., June 14.—(P)—Wally Westlake scored practically a one-man victory tonight as he rapped a homer, a triple and a ninth-inning double to lead the Pittsburgh Pirates to a 4-3 win over the Boston Braves.

A crowd of 29,639 saw the doughty outfielder lash out the winning blow with two men out, to send Pete Castiglione home from third and Ralph Kiner in from first.

Six-Run First Helps Cleveland Blast Bosox 10-5

Boston, June 14.—(P)—Romping to six runs in the opening inning when Joe Gordon blasted a four run homer and Manager Lou Boudreau angrily resented being hit with a pitch, the Cleveland Indians tonight whipped the Boston Red Sox, 10-5, before 35,137 fans, Fenway Park's largest night crowd.

The victory boosted the Indians into fourth place over the Red Sox and Washington Senators.

Bob Feller, who had lost his last five starts, went all the way for the Indians to gain his second win of the season, both at the Red Sox' expense. He gave up six hits and as many passes while striking out eight.

Boudreau, who played first base for the first time in major competition, was struck in the left elbow by Joe Dobson after Gordon belted his grand slammer.

Boudreau advanced toward Dobson after he was hit. Immediately both benches emptied. Players, managers, coaches and umpires milled around Dobson but no blows were thrown.

After the field was cleared, Boudreau went to the clubhouse for treatment and the Sox allowed third baseman Ken Keltner to be his manager's courtesy runner.

It was the fourth time this season Boudreau has been hit by a pitch, three times on virtually the same spot.

Trucks Hurl One Hit Tilt As Tigers Defeat Nats 4-0
Philadelphia, June 14.—(P)—Virgil Trucks held the Philadelphia Athletics to one hit tonight as the Detroit Tigers started their eastern invasion with a 4-0 victory. Hank Majeski's fifth inning single was the only blow off Trucks' right-handed slants as he registered his ninth win of the season.

Elmer Valo was the only other Philadelphia batter to get on base. He walked with two out in the second inning and, like Majeski, was left stranded on first.

The Tigers' ace right hander fanned six to bring his total number of strikeouts for the season to 74. Snider, cf 5 1 2 3 0

Robinson's two-run double were the big blows as the Tigers jumped into a 3-0 lead in the first frame.

They were held pretty well in check by Carl Scheib the remainder of the way except in the eighth. Then Campbell's double and Vic Wertz's single produced the fourth Detroit tally.

Grace Lenczyk Remains Favorite For Golf Crown
Columbus, Ohio, June 14.—(P)—Grace Lenczyk of Hartford, Conn., opened defense of her women's intercollegiate golf crown today with a steady, 6 and 5 victory that subtracted nothing from her role as favorite.

But medalist Barbara Canine lost her first match.

A driving wind that whistled across the 6,455 rolling yards of Ohio State University's Scarlet course didn't bother Miss Lenczyk, a 21-year-old junior from John B. Stetson University, at all.

She ended a game effort by Clara Jane Mosack of Detroit on the 13th green.

Miss Mosack, a 20-year-old Rollins College junior, turned in a par three on the well-trapped 160-yard 13th, trying to stave off the inevitable.

able. But, Miss Lenczyk clipped her tee shot six feet from the flag and stroked her putt in for a birdie.

Only two of today's eight first-round matches ended in anything like an upset—and one of them caught Miss Canine of Kalamazoo, Mich.

The other one involved Mrs. Rosann Klinefelter of Flowertown, Pa., who finished her qualifying round just one stroke back of the medalist.

Yankees Wallop White Sox 15-3
New York, June 14.—(P)—The New York Yankees sent starter Bill Wight to the showers with an eighth-inning homer and went on to wallop the Chicago White Sox, 15-3, tonight before a crowd of 37,683.

The eight-run uprising featured Tommy Henrich's 12th homer with two on and made it easy for Vic Raschi to become the major league's first 10 game winner.

Wight was knocked from the box as the first three Yankees hit safely and Gerry Coleman walked to force in a run. Allen Gettel, Chick Pieretti and Clyde Shoun followed him to the mound and were all treated roughly.

Henrich, besides his 12th homer, doubled two more tallies across, while Coleman hit a pair of triples to account for the first two Yankee runs.

The Sox took advantage of Raschie's wildness plus a pair of errors by Jack Phillips and the Yankee pitcher's wild heave to tally all their runs in the fourth.

Frisch Hits Phillie Stumbling Block In Cub Managerial Debut

Chicago, June 14.—(P)—Frankie Frisch made his debut as manager of the sagging Chicago Cubs here today, but the Bruins, continuing their losing ways, took a 9 to 2 licking from the Philadelphia Phillies.

The Cubs loss was their 32nd against only 19 wins.

Frisch, the Cubs' 20th manager, has promised that the club will have to hustle like his old St. Louis Cardinal "Gas-House" gang. Frisch held top man status with the Cardinals from 1933 to 1937 and with the Pittsburgh Pirates 1940 to 1946

800 Teachers Of The Deaf From U. S., Foreign Lands To Convene Here Sunday

Approximately 800 persons will come to Jacksonville next Sunday to attend the 34th convention of the American Instructors of the Deaf to be held at the Illinois School for the Deaf June 19-24. Superintendent Daniel T. Cloud announced Tuesday.

Schools for the deaf in England, three provinces of Canada, and 40 states of the United States will be represented. A former teacher of the deaf in Johannesburg, South Africa, will also attend.

A well-planned professional program celebrating a centennial of education for the deaf has as its theme, "A Century of Progress to the Deaf Child," and will feature 80 speakers, including prominent educators of the deaf as well as outstanding educators from the departments of speech and education in the following universities: Northwestern University, Milwaukee State Teachers' College, and the Universities of Illinois, Iowa, Michigan, Missouri, Pittsburgh, and Manchester, England. Johns Hopkins Research Laboratories at Silver Spring, Maryland, the economics department of Firestone Tire and Rubber company in Akron, Ohio, and the Missouri department of education will also send speakers.

State Director To Speak
Fred K. Hoehler, who has shown great interest in the welfare of the handicapped since his appointment as director of the Department of Public Welfare, will speak Monday evening. Other state and federal agencies participating include the State Division of Services for Crippled Children, the United States Office of Vocational Rehabilitation, represented by Boyce C. Williams, and the United States Office of Education, by Dr. Romaine Mackie.

Local educators appearing on the program include Supt. Cloud, Assistant Superintendent Thomas K. Kline, James N. Orman, Lloyd

Graunke, Margaret Scyster, Alice Thomas, Helen Dial, Rhoda Sammons, and Harold Stark.

Opening Program Sunday
Highlights of the convention are the opening program at 8 o'clock Sunday evening, an address by Willard Spaulding, Dean of the College of Education of the University of Illinois on Monday, a reception and dance for convention officers and delegates Tuesday, a business meeting and showing of the Academy Award movie, Johnny Belinda, in which Jane Wyman portrayed the part of a deaf mute on Wednesday, an address by Director Hoehler and a report of recent progress in education for the deaf in Britain by Dr. A. W. G. Ewing on Thursday.

The keynote speeches of the convention will be heard Sunday when Supt. Cloud will give an address of welcome. Dr. Elizabeth Peet of Gallaudet College, Washington, D. C., will outline the "Highlights in the History of the Convention," and Dr. L. M. Elstad, president of Gallaudet, will give the president's address.

The public is cordially invited to all meetings.

Allied Groups To Meet
Meeting with the Convention of American Instructors, are also the Conference of Executives of American Schools for the Deaf in session on Tuesday and Thursday afternoon.

Mu Iota Sigma fraternity will hold a luncheon at the Dunlap hotel Wednesday noon for members, former members and guests. Gallaudet Alumni association plans a picnic at New Salem State Park for Wednesday afternoon and evening.

Nine additional organizations will be represented on the program: the American Speech and Hearing Association, National Association for the Deaf, National Council of Day School Teachers, International Council for Exceptional Children, National Forum on Deafness and Speech Pathology, National Fraternal Society of the Deaf, Volta Speech Association, and the American Hearing Society, and the National Society for Crippled Children and Adults.

Many Program Subjects
The program proper, which will be held from 9 a.m. to 12 and 2 to 4:30 p.m. each day, has been grouped according to topic, using the panel-discussion system. Monday is devoted to audiology with Supt. Cloud as section leader and Dr. Carhart of Northwestern as chairman.

John M. Spaulding Services Tuesday

Funeral services for John M. Spaulding were held Tuesday morning at 8:30 o'clock at the Church of Our Saviour with the Rev. Father Watson officiating.

The flowers were cared for by Mary Frances Tobin, Emalee and Loraine Craddock, Beverly Stoddard, Roberto Charlesworth and Inogene Sipes.

The bearers were Byron L. Campbell, Junior Dewese, Norvall Cruzan, Robert Roach, Robert Scott, Raymond Hart, Byron R. Campbell, Francis Thurman.

Burial was in Memorial Lawn cemetery.

Military graveside rites were conducted by the local veterans' organizations, the American Legion, V.F.W., Amvets and the Navy club.

Participating in the service were: Commander, Russell J. Alvarez; chaplain, Rev. Arthur Ewert; officer of the day, Marvin Martin; buglers, Charles Love, Bernard Strongman; color bearers, Maryellen MacFadden, George Ashby, Carl Derksen, Albert Simms, Wilfred Young and John Wilson.

Color guards, Byron Strawn and Forest Lynn; firing squad, C. P. Stegfield, Howard West, Merle Dewese, R. Wesley Petefish, Basil Sorrell, Mervin Poole, George Vasconcellos, Clifford Charlesworth, Richard Dober, Harold Meyers.

Condolences were extended to the next of kin by Glenn Spencer, commander of the American Legion; Marvin Martin, past commander of the Amvets; W. E. Coates, past commander of the Navy club; and Russell J. Alvarez, past commander of the V.F.W.

Final Rites Held For Rev. Crabtree

Largely attended funeral services for Rev. F. M. Crabtree were held Tuesday afternoon at 2 o'clock at the Gillham Funeral Home with Rev. Clair Malcolmson, pastor of First Baptist church officiating.

Mrs. Warrington Kent was the organist.

The floral offerings were cared for by Marian Lois Lair, Joan Lair, Betty Lair, Hazel Day, Marceline Schewe and Mae Crabtree.

The bearers were Houston Cowgur, William Mills, Deane Cannel, Glenn Peterson, Edward M. Crabtree, Gust Bergquist, Charles R. Huggett and Brook Dornier of Cooperstown.

Burial was in White Hall cemetery.

Tuesday, Speech, with Miss Alice Rooney of New York as section leader and Dr. R. S. Silverman of Central Institute for the Deaf, St. Louis as chairman.

Wednesday, Organizations, with Dr. Elstad as chairman.

Thursday, Curriculum and instruction, with Hugo Schunhoff of the Missouri School for the Deaf as section leader and Dr. Samuel A. Kirk of the University of Illinois as chairman.

Friday, Research, with Dr. Helmer R. Myklebust of Northwestern University as chairman.

At the next meeting, July 12, the ladies will entertain their families at a potluck supper in Monroe hall.

Ernest Richardson, Waverly, Drowns In Atlantic Ocean

Waverly—Word was received here Tuesday of the death of Ernest Harold Richardson of this city, who drowned last Thursday, June 9, off the coast of Charleston, S. C., while traveling on a boat from Corpus Christi, Tex., to Newark, N. J.

His body was recovered June 10, but identity was not established until several days later.

The remains will be returned here to the Wise Funeral Home. Funeral arrangements are incomplete.

Mr. Richardson, son of James Thomas and Lulu Baggerly Richardson of Waverly, was a veteran of World War I. He was born here Nov. 7, 1897.

Besides his parents he is survived by one son, Oral Everett of California; one daughter, Mrs. James Wolfe of Lawton, Okla.; one brother, Noble of Waverly; and one sister, Pearl Richardson of Springfield.

Study Non-Commie Oaths Filed By CIO Union Leaders

Washington, June 14—(P)—The justice department is studying non-communist oaths filed by three union officers, one of whom said he had quit the Communist party but still believed in it.

Robert N. Denham, general counsel of the National Labor Relations Board, today sent the department the oaths filed by the three men, all officers of the CIO United Furniture Workers union.

The affidavits must be filed with the board by a union's officers before the union can obtain labor law protection from the board.

Max Perlow, the union's secretary-treasurer, along with its president, Morris Pizer, and organization director, Ernest Marsh, filed the sworn statements that they are not communists a few days ago.

They had refused to do so for a long time but recently announced they were filing reluctantly because their union had lost 4,000 members for lack of access to NLRB processes.

Perlow, in agreeing to sign, was quoted as saying he was quitting the Communist party but was not foregoing its principles. He said he supported no organization "that believes in or teaches the overthrow of our government by force and violence."

The commission also could require building of union depots and terminal facilities and order where they must be built.

WEATHERMAN GIVES CITY BOTH BARRELS —RAIN BARRELS!

Wet? — You bet! That's been Jacksonville for the last 24 hours. After threatening a cloudburst for several days, the weatherman finally gave us with both barrels, rain barrels, that is.

Starting in the early morning hours on Tuesday, the streets were drenched by a shower which proved to be only a taste of what was to come. It really started to rain in earnest about 3 p.m. And kept right on, almost steadily, until after five o'clock.

The daytime employees of the city were met with a solid wall of water as they emerged from their places of work. People were seen scurrying for their autos, or waiting for some one to come and take them home. Others were bucking the wind and the rain with their trusty umbrellas, and some who didn't have protection from the rain didn't mind after the first couple minutes, they couldn't get any wetter.

Comments were heard from some of the town gardeners that the rain would help their thirsty potatoes and tomatoes, so there is some consolation in even the wettest rain.

Glasgow Receives Heavy Downpour Of Rain Monday

Glasgow—This village and surrounding area was visited by a heavy downpour of rain early Monday afternoon, with an unofficial estimate of 1 1/2 inches of rainfall within 30 minutes. The rain was apparently local in extent, as only light rainfall was reported in surrounding towns.

Sells Lease On Shop
J. H. Edwards of Glasgow, who has been operating a barber shop in Winchester, has sold his lease to the room housing the shop to Dr. Wallace MacMullen, who is to locate in Winchester the first of July.

Mr. Edwards' future plans are in definite.

Father's Day Program
A Father's Day program will be given at the Glasgow Baptist Sunday school Sunday morning, following the regular class period. There will also be regular preaching services at 11 a.m. and 7:30 p.m., with Rev. Arnold Wake, the regular pastor, in the pulpit.

Don Wavering Still Unconscious, Condition Critical

Don Wavering, injured Quincy motorcycle racer, has been unconscious for 57 hours, the hospital reported last night.

Wavering, injured at about 3 p.m. in a race here Sunday, remains in very critical condition. He has not regained consciousness since the mishap.

The 26-year-old youth suffered skull fractures when he was thrown from his cycle on the first lap of the third race at the Morgan County fairgrounds Sunday. Another racer is reported to have struck Wavering's head in passing the thrown man.

Wavering's wife, 3-year-old daughter, and parents are staying in Jacksonville.

Postpone Action On Depot Bill

Springfield, Ill., June 14—(P)—A senate committee today postponed final action on a bill by which the state could force railroads to build a new Union depot in Chicago.

A roll call was 8-3 against the bill when the committee on public utilities and railroads postponed final action until Thursday.

The bill by Senator William Conners (D-Chicago) would let the state commerce commission require railroads to abandon present depots in any city if they interfere with civic improvement plans.

The commission also could require building of union depots and terminal facilities and order where they must be built.

Youth Club Elects At Initial Meeting

Vivian Rowe was elected president of the Jolly Junior Youth club at its initial meeting recently in the Merritt church.

Others who will serve during the year are: Janet Hurrellbrink, treasurer; Lois Wilson, secretary; Neva McGlasson, devotional leader; Ruby Wilson, lesson leader; Maxine Rowe, correspondent; Shelby Jean Briggs, reporter; Anna Berl, chaplain; Sheila Ann Snow, Carol Jean Chaplin, Viola Huddleston and Donna Dean Christman, song leaders.

The members chose stuffed squirrels as their first project. They will meet again this afternoon at 2 o'clock.

WOODSON MEN'S CLUB TO HEAR COL. TAYLOR

Col. John Taylor, business manager of the Jacksonville State Hospital, will be the speaker at the June meeting of the Woodson Community Men's club.

The ladies of the Presbyterian church will serve the supper at 7 p.m. Col. Taylor will speak on "Australia, the country and its life."

Farm Adviser E. H. Garlich will show a group of movies.

Greater Interest Shown In Annual Cass 4-H Fair

Virginia—The 1949 Cass County 4-H club show and auction, with most of the favorite features of other years and much new entertainment will be held August 25, 26, 27.

Due to the large number of sales of home freezers, commercial buyers at the auction Saturday, Aug. 27, will find keen competition from owners of home freezers. Buyers in Jacksonville, Springfield, Beardstown, St. Louis and many other central Illinois towns assure the grounds committee that this year's auction is apt to be the best on record.

Agriculture, industry and entertainment are joining forces to make this year's exhibition the most interesting, educational and entertaining exposition in the history of the county.

Exhibitor accommodations at the fair in Virginia will be bigger this year, with seating facilities for everyone. Practically the entire space allotted for exhibits has been signed up, but anyone planning an exhibit is urged to contact the grounds committee at once.

There will also be judging of livestock, grain, culinary arts and horticulture. The 1949 premium list will be much larger.

There will be entertainment every afternoon and evening.

Mr. and Mrs. Media Robeson of Chicago visited friends and relatives in Virginia recently.

Mr. and Mrs. Robert Fox of Champaign have been visiting friends and relatives in Virginia the past week.

Mr. and Mrs. Sam Nickels of Washington, D. C., are visiting friends and relatives in Virginia.

T-Sgt. Frank M. Reeve and family of Oceanside, Calif., are visiting with relatives and friends in Jacksonville and Virginia. Sgt. Reeve has been assigned to duty in Washington, D. C.

Mrs. Minnie Meek Of Carrollton Dies Tuesday

Carrollton — Mrs. Minnie Meek, lifelong resident of Greene county, died Tuesday at 11:05 a.m. at her home in Carrollton.

Mrs. Meek was the daughter of John H. and Rachel Wright Spencer Stout and was born in Greene county on Aug. 16, 1865. She was married on Oct. 13, 1892, to Rufus Arnold Meek, who died on Nov. 12, 1911.

A graduate of Illinois college, Mrs. Meek had taught music for several years. She was one of the oldest members of the Jacksonville Rebekah lodge and was also a member of the Methodist church at Carrollton.

Five children survive, Arnot and Mrs. Marcella Hansen, both of Carrollton, Mrs. E. F. Cleardy of Los Angeles, Calif., Mrs. Fred Smith of Roodhouse and Clarence of Roxana.

The body is at the Simpson Funeral Home in Carrollton. Funeral arrangements are incomplete and will be announced later.

Propose Campaign To Raise Funds For 4-H Camp

The board of directors of the Morgan County Farm Bureau Tuesday authorized a campaign to raise the county's share of the cost of building the 4-H camp now being erected on the shore of Lake Jacksonville.

All counties in west central Illinois are contributing to the camp building fund. Several Illinois groups have already raised their quotas.

Board President Harold McDevitt of Franklin and Farm Adviser Garlich were delegated to appoint a general committee. The campaign will be held sometime in September. The goal is \$12,000.

Says State Paid 3 Attorneys \$24,000 For One Tax Case

Chicago, June 14—(P)—The Chicago Daily News said today that three attorneys—including the Illinois House Republican minority leader—were paid fees and expenses of \$24,305 for investigating one inheritance tax case.

The fees were paid, the newspaper said, by former Attorney General George F. Berrett.

The News said the inheritance taxes subsequently collected by the State of Illinois were based on the value of the property as stated by the executor of the estate. The investigation did not add a penny to the taxes the state would have collected regardless, the newspaper said.

The Daily News said Reed F. Cutler, Lewistown, Ill., minority (Republican) leader of the House of Representatives, received a fee of \$5,000, plus expenses of \$2,365 for investigating the estate of U.G. Orendorff, farm implement manufacturer of Lewistown.

In the same case, the newspaper stated, Willard H. Fouts, Republican chairman of Fulton county, received a fee of \$5,000 and expenses of \$2,500. Aaron Colton, Chicago real estate operator, was paid a fee of \$4,000 and expenses of \$450 in the Orendorff case also, the paper said.

SCOTT YOUTH LEADER ADDRESSES 4-H CLUB

Winchester — George Grog, Scott county youth director, addressed 20 members and guests of the Bills Better Best 4-H club Monday evening. He also showed a number of slides of last year's 4-H show.

He was introduced by Evelyn Bowns and Clarence Slagle of the entertainment committee. Van McCullough, president, presided.

The leader, William Worrall, announced that those interested in softball are invited to meet at Riggs on at 2 p.m. Sunday.

"I'm afraid my grandson won't know what a scythe is," declared one Scott county farmer who attended Monday's meeting were especially interested in the new product applied by the jeep sprayer. The operator just sprayed a band around the trunks of the willows and other trees. The solution contains a penetrating agent which carries the 2, 4-D into the cambium, the life tissue of the tree. Much less solution, and much less labor, is needed.

The chemicals particularly interested drainage district officers. The willows and other woody vegetation make it hard to keep the ditches in shape. They slow the water in flood time and greatly add to the expense of cleaning ditches.

Keep It Labeled
The specialists particularly stressed the importance of keeping proper labels on the various chemicals. "This is getting to be a bigger problem each year. Every spring some farmer thinks he's spraying his peach trees with DDT. After they die he remembers it was 2, 4-D in that can," they observed.

The chemical is not injurious to man or livestock, they asserted, but the recommended "common sense precautions." Drippings from the sprayed willows along the ditch would have no effect on the fish, they said. An estimated five to six thousand pounds of fish were killed in the ditch three weeks ago when nearby wheat fields got an airplane-toxaphene spraying to destroy army worms.

Engineers In Charge
The demonstration was arranged by the U.S. Corps of Engineers to bring more information on chemical destruction of woody vegetation and weeds to farm advisers, drainage district officials and farmers of this area.

2, 4-D was first introduced as a weed killer in 1944. Its popularity has grown each year. The chemical stimulates the plant to such an extent that the plant literally grows itself to death.
